Board of Education

Mr. Fred Gould, superintendent of the New London Water Works, is vice-president of the board.

Mr. William B. Cragen, a Ralls County farmer, is treasurer.

Mr. W. E. Lane is also a Ralls County farmer.

Mrs. Billie Ray, Secretary to Superintendent of Schools, also serves as Secretary to the Board of Education.

Mr. Carl Harvey, farmer, is active president of the board.

Mr. Jess Ely is a farmer of Ralls County.

Mr. R. E. Allen is a banker.

Mr. Gale T. Bartow, Superintendent of Schools, also attends all board meetings.

The Board of Education shapes the general policy of the Mark Twain High School and makes all important decisions pertinent to its welfare. It is during their tenure of office that the school has taken great strides forward. The responsibility was laid upon the shoulders of these men to bring the three schools—Center, Perry, and New London—together after reorganization and provide a full educational program for future generations of Ralls County.

GALE T. BARTOW
Superintendent of Schools

Students of the Ralls R-II Schools:

Realizing this is the first of many annuals from the Mark Twain High School, I consider it an honor to write a few words to you.

To the seniors, the first class to graduate from Mark Twain High School, I congratulate you and hope that you will come back to see us often. If I can ever be of help, please do not hesitate to let me know.

To the underclassmen, I look forward to seeing you in school next fall. I hope that you will take advantage of the many opportunities your parents have provided for you in this school system.

This district was organized in October 1957, the bond issue for the Mark Twain High School was voted in June 1958, and construction started in

March 1959. This Board of Education has spent many hours working together, planning and developing a school system that will provide the best in education for you.

It is an honor and privilege to be associated with you, your parents, and all the citizens of Ralls R-II School District who have worked together so that better educational opportunities are here for you. I know that you will take advantage of these opportunities.

Best wishes always-----

Sincerely,

Coach Kottman started the '59-'60 season with the task of combining three previous teams- New London, Center and Perry- into one team, the Mark Twain Tigers. The team had many problems to overcome during the season, but the hard work of the boys and our coaches- Mr. Kottman and Mr. Evans- proved to be successful by the fact that the boys learned that good sportsmanship and team play are necessary in order to play good basketball.

Considering the fact that the '59-'60 season was its first and that the head coach was a new man at the school, we feel that the team did very well in winning a goodly number of their games.

Senior Prophecy

The final curtain is drawing to a close on the seniors at Mark Twain High School. They are ready to struggle out into the world on their own. What the future holds no one knows, but in the following lines we prophesy for the class that hits the top of the list-----SENIORS 1960. These things to come.

Danny Allen owns a chain of Allen Dry-Cleaning Stores that are located in several states with the main office in Vandalia, Missouri. He has lately become famous for his newly installed cleaning machine which does an especially good job on letter jackets.

Betty Jo Armentrout is going to use her truck driving ability to drive an Orscheln Bros. truck.

Etta Mae Armour is another Florence Nightingale. That goes to show you what these quiet ones can do.

Bette Ann Asher is still single and has devoted her life to continue her work as private secretary to J. L. Burditt.

Charles Blackwell is going to use his speeding ability to set a new record for the mile.

Billie Sue Bridgeman is going to Kansas City to run a reducing salon.

Marilyn Broemmer and Jimmy Oglesby are now married they own and operate a dairy farm where Marilyn does all the milking.

Charles Ford is moving to Detroit to help Henry manage the Ford Motor Company.

Nancy Gough has been happily married for several years to a famous coal miner. They now have eight little miners. As Nancy always said, "Cheaper by the dozen."

Larry Griffin will be using his sideburns to be Elvis II.

Barbara Hamill, now known as Mrs. Less to millions of housewives, has been designing diapers which have come in handy for her own ten kids.

Carolyn Harlow will be a literary expert dealing especially with Novels.

Darrell Harvey is assistant coach to J. L. Burditt, who is coach of the Keystone Clumsies.

Donald Hickman is in the very interesting business of raising Christmas trees for a chain of IGA stores.

Sibert Hill, Jr., still single, is making use of his great brain by operating a Lonely Hearts Club in New London, Missouri.

Delois Howard is married to a very successful farmer, Ralph Keims. They make their home in Hannibal and are the proud parents of two boys and two girls.

Shirley Hubert and Cloyd Jackson, now married are living in Anchorage, Alaska, where Shirley is a nurse and Cloyd is making a million on his wheat farm.

Donna Gayle Hulse has a master's degree in mining and metallurgy and is on the "Tin Pan Alley Theater" advertising aluminum bath tubs. She is engaged to the prop man.

Carlene Wells is now a well known hillbilly opera singer. At the present time she has a six month contract with Eagles Opera House.
