Class Will

We, the 1962 graduating class of Mark Twain High School wish to will the following:

To the Faculty: We leave peace and quiet. They need it, after putting up with us.

To the Freshmen: We leave, PERIOD.

To the Sophomores: We leave all our gum, combs, bobby pins, lost billfolds, and stale jokes. Please don't be selfish with them.

To the Juniors: We leave our bigness--not in size but in mind. They could use a little of both.

I, Barbara Alexander, will my ability to get good grades to my sister Ellen. I leave my seat in physics to anyone who is brave enough to take it.

I, Mike Berghager, will my blown injected '56 Chevy to Larry Record and my ability to fix cars to John Phil Conn.

I, Teresa Berrey, will my ability to stay out of the office to Kay Stonebraker, she needs it. My love for the sock hop, I will to "twinkle toes" Crockett. My place in Secretarial Practice, I will to anyone, who isn't planning to be a secretary.

The 1961 Mark Twain Football Squad in their first year of varsity ball ended the season with a 0-8 mark but we fully realized that a team doesn't develop overnight.

The things the boys learned this past season are hard to put in writing but I feel certain in a year or so the Tigers from Mark Twain will make themselves noticed on the field with any of the teams whom we play.

I, as coach, enjoyed very much working with this group of boys and am looking forward to the 1962 season.

Lar Moss.

During the 1961-1962 basketball season the coaching staff feels as though we have made considerable advancement and would like to take this opportunity to congratulate each athlete. As coach, words cannot express how proud I have been of the boys this year, our victories have been hard won and sweet even when victory was not ours to have, the boys continued to demand the respect of other teams by giving them an old fashioned run for their money. The spirit the boys held to win for Mark Twain was tremendous. We look forward to the coming season with a great deal of zeal and desire.

The "B" teamers of the Mark Twain hard-wood, experienced a season of trial and error trying to build a successful combination of basketball. Lack of experience and the inability to score freely was a big factor in many of the junior tigers' defeats. The boys improved steadily throughout the year but were able to find victory only three times.

The squad will lose six of fourteen to varsity ball, leaving eight lettermen to make nucleus of next year's club.
